

MAGELLAN OF IOWA  
News for You Now

***Thank you for your partnership***

***A message from Dennis Petersen, general manager, Magellan Behavioral Care of Iowa and Anne McCabe, president, Magellan Healthcare, Public Markets***

On December 31, 2015, Magellan Healthcare's existing contract with the state of Iowa will end.

On behalf of Magellan Healthcare and our Iowa team, we want to take this opportunity to thank you - our customers, stakeholders, providers and community members - for your partnership.

It is through that 20-year partnership that Magellan has been able to provide ideas, tools and innovations that have allowed us collectively to improve the state of Iowa's public behavioral healthcare system and, more importantly, the lives of those we serve.

We are especially proud of our efforts to:

- Improve access to care
- Achieve key clinical outcomes to improve the health and wellness of our members
- Maintain strong financial stewardship
- Launch the Integrated Health Homes (IHH) Initiative

**We couldn't have done this without you.**

Magellan has been interwoven within the community fabric of Iowa for more than 20 years. We have truly enjoyed working with you, we thank you for your support and tireless efforts at improving lives, and look forward to finding ways to continue to support the health and wellness of the residents of Iowa.
